

E-Treat™ Environmentally Friendly Drinking Water Systems By Watts®

With Quick Twist Replacement Elements!

The ideal, low cost alternative to reverse osmosis technology!

- No tank
- No reject water
- No pressure problems
- No sumps
- No mess
- No fuss
- Easy installation
- Low cost

Consumer benefits:

- Great tasting drinking water for only pennies a gallon!
- No trips to the store to buy bottled water!
- Flow shuts off when cartridges are removed.
- Wide range of cartridges, including sediment, carbon block and hollow fiber membrane.

Three stage filtration system with sediment, carbon block and hollow fiber membrane filter elements.

Drinking water systems (with bracket, tapping valve & tubing; faucet additional).

MODEL NUMBER	DESCRIPTION
